To Whom It May Concern,

I am pleased to provide a positive recommendation for Matthew Wilson who was the Umpire on a loss, with whom I recently collaborated. Matthew's exemplary qualities and dedication significantly contributed to a successful resolution. I found Matthew to be very professional, and knowledgeable.

He was prepared and very prompt in presenting his award. I have found that his attributes are fair, credible, and accurate. My experience with Matthew included a review of the Appraiser's reports and position statements, on-site meeting, rebuild analysis, and a detailed estimate summary of his findings.

I would highly recommend his Umpire services to anyone that is looking for an expert Umpire for an Appraisal Panel.

Respectfully,
